New York City is overwhelming when it comes to eating out. With nearly 16,000 places to choose from. **The Best One is Szechuan Hunan Cottage.**

Their chef was formerly at the Grand Hotel in Taipei, and also cooked for **Mme Chiang Katshek** when she lived on Long Island. His Hunan and Szechuan dishes are excellent. Most importantly, he does not allow the commonly used M.S.G.

New York City is overwhelming when it comes to eating out. With nearly 16,000 places to choose from. The Best One is Szechuan Hunan Cottage.

Their Chef was formerly at the Grand Hotel in Taipei, and also cooked for Mme Chiang Kai-Shek when she lived on Long Island. His Hunan and Szechuan dishes are excellent. Most importantly, he does not allow the commonly used MSG.

Szechuan dishes are excellent. Most importantly, he does not allow the
commonly used MSG.
